PEOPLE WITH DISABILITY ASKED TO MAKE GOOD USE OF GOVERNMENT SUPPORT

The DCE of Afigya Kwabre South, Hon .Adu Poku Christian (APC) has urged people with disabilities (PWDs) to put into worthy use the support the government offered them to better their lots instead of spending lavishly.

He said it is government policy to support and empower them to mitigate the vulnerability they face to improve their livelihood. He advised the potential disable person to always liaise

With the Assembly Members in their electoral areas when in need of government support.

Hon (APC) made the remarks on 7th October, 2022 during the presentation of items, provisions of the medical and the educational support, settlement obligations as well as start-up capital to grow their business to be able to cater for their family members at the assembly premises .Graduate of Ghana Employment and Social Protection (GESP) trained in bio-digester, solar panel installation and skills in handling heavy duty machinery were also beneficiaries.

A total amount of Chic 48,585 .00 was disbursed while 10 wheel chairs were also presented.

The newly transferred District Social Welfare and Community Development Officer, Mr. Cheslyn Nustugah in his submission asked to be accorded the same support given to his predecessor, Mrs. Aishatu Mohammed to improve on the task ahead. He disclosed there are guidelines to safeguard the use of the fund provided them, adding that the support would be spread to cover all destitute in the district but in batches due to their larger number.

The chairman of the (PWDs) Association, John Asamoah commended the government and the Assembly for their continue support and called on the members to come together to help in the projection of their cause.

He also advised his colleague and beneficiaries by being productive and desist from begging in the street.
