District Information Officer

Rexford Sarfo Mensah

TOWN HALL MEETING AT KODIE

The Annual Town Hall Meeting organized by the District Assembly took off at Kodie Methodist Church on Thursday 17th March, 2022. About the 200 plus participants were invited from Kodie Town in the District.

PARTICIPANTS OF THE TOWN HALL MEETING

About 150 participants took part in the Town Hall meeting. These included DCE, Heads of Dept, as well as Assembly Staffs, 15 religious leaders made up of Christians and Muslims and disabilities. Others included 30 markets women, 10 media houses, 15 information Centres and National Service personnel in the District.

The purpose of the meeting which was announced by the DCE, the District Chief Executive Hon. Christian Adu Poku urge all Participants to exercise patience to make this Town Hall meeting successful so that their questions can be well answered.

In his address, Hon. Christian Adu Poku welcome all participants for their attendance and gave an account of which his leadership is doing within the Kodie Township. He said very soon there will be an ultramodern lorry station to transport passengers to their far destination

The DCE assure Nananom that, he will make sure the District gets well security and good lighting system, he said, the Assembly has received Student Chairs from the Quarry Development Fund which will soon be distributed to all the basic schools in the District.

Hon. Christian Adu Poku said, the Assembly has decided to build Ultra-modern Sports Complex for the Town, he added by saying, "this Ultramodern Sports Complex which can be used under flood light" the Park is located in between DCE residence and the District Assembly.

The DCE appealed to the house owners for beautification of the Community by restructuring the old infrastructures alongside the major road with stores as obtained in other Urban Towns to benefit the status of the District Capital.

He added that, plans are in advance to combine the two schools which is Methodist and D/A school, so that they will be run under one authority and good effective supervision.

Hon. Christian Adu Poku also promised Nananom to complete the Community Centre for them this year.

On the issue of the roads, the DCE said the road from Mowire junction to Apagya was given to contractor but unfortunately it was not done, but it will surely be done soon. He also plead to Nananom to build Hospital for Kodie exercise a little bit patients.

On the issues on permit, the District Engineer said that, permit are issued when the physical planning and Assembly Man for the Area goes for check at where that property wants to be located.

Open forum
